

April / May 2026

Dear Guest

As the leaves turn and the air gets crisp, your skin starts a new chapter. Summer's sun and humidity are fading, leaving many of us with pigmentation, dehydration and a bit of texture.

With lower UV levels, Autumn is a safer time for treatments that resurface, brighten, and repair.

**Top Treatments for the Colder Months:**

- Medical Grade Chemical Peels
- IPL & Laser Rejuvenation
- Profhilo

Once only Profhilo offer!

Book one Profhilo treatment area (\$800) during April, May, or June and enjoy a second area complimentary when performed in the same session.

For example: treat the face and receive the neck at no additional cost.

*What is Profhilo?*

Profhilo is a well-recognised and extremely popular treatment worldwide, stimulating natural **collagen** and elasticity while deeply hydrating the skin.

It is minimally invasive and generally requires no downtime. This treatment **improves hydration and overall skin quality** by restoring natural glow and radiance.

A mother is the steady  
light, that guides us  
through the deepest night.

A heart of gold, a spirit  
free, the root that holds  
the family tree.

*Spoil Mum this Mother's Day...  
and score a little something for yourself too.*

**Purchase a facial voucher for Mum &  
receive another of equal value on us.**

**T&Cs apply:**

*The complimentary voucher cannot be exchanged for any other product, service, or monetary value and must be used within 6 months of purchase. All vouchers must be purchased before 5 May 2026 for this offer to apply.*

**The Aspect DR Eye Rejuvenation Balm**

This targeted treatment revitalises the delicate eye area which helps reduce visible signs of ageing.

It blends potent peptides, antioxidants and emollients to hydrate and smooth the skin.

The rejuvenation also helps minimise dark circles and improves the appearance of fine lines, wrinkles and overall skin tone.

Thank you for all your continued support.

Warmest regards
